Re: Wisconsin Department of Justice Grant Opportunity-Pre-Booking Diversion Pilot Program-Renewal

To whom it may concern,

The Douglas County Criminal Justice Coordinating Council (CJCC) met on March 10, 2020. During this meeting, a motion was brought forward and unanimously approved by the CJCC to support the renewal of the application for the Pre-Booking Diversion Pilot Program Grant through the Wisconsin Department of Justice.

The Council felt strongly that this grant would continue to be of great benefit to our community by providing our citizens struggling with addiction to immediate treatment access with the potential to avoid the criminal justice system. This will continue to provide a more efficient criminal justice system and a healthier community. This Council consists of major stakeholders in our community who are willing to continue to participate in development and implementation of a pre-booking diversion pilot program. The Douglas County CJCC is also committed to a sustainable and collaborative partnership with all involved entities to maintain a strong and successful program.

The Douglas County CJCC proudly supports the Superior Police Department in the application for Pre-Booking Diversion Pilot Program Grant renewal application.

Sincerely,

Aaron Lenmark
Chair, Douglas County CJCC
