REVIEW SUPERVISORY DISTRICT PLANS:

Current Plan with 2020 Census Numbers: Included with agenda.

Draft Plan; Additional Plan or Plans May Be Developed Prior to the Meeting and Will Be Sent to Committee: Plan A (included with agenda) revised due to unintentional split in Town of Bennett and higher deviation percentage. Plan B developed and distributed prior to meeting for review. Proposed changes include additional ward for Town of Superior for a new total of three wards; Town of Brule now located within one district; one ward removed from Town of Solon Springs for a new total of two wards. City of Superior blocks shifted throughout districts to produce an overall deviation of 9.96% (under 10% goal).

Committee consensus to propose Plan B as county supervisory tentative plan for municipalities and public review.
