Housing Activities

The Housing Program benefits Low- and Moderate-Income (LMI) households needing to make home improvements or wishing to purchase a home. Northwest Regional Planning Commission administers the Regional Ten-County Housing Program.

OWNER-OCUPIED REHABILITATION

The program will provide rehabilitation assistance to LMI owner-occupied housing units. Financial assistance to eligible owner-occupied households will be in the form of a zero percent interest, deferred payment loan, secured by a mortgage until the unit ceases to be the borrower's principal place of residence. The property must be titled in the owner's name, taxes must be current, and the property must be insured against direct loss or damage. Homes under life estates and land contracts are eligible.

RENTER-OCUPIED REHABILITATION

The program may provide funds for the rehabilitation of LMI renter-occupied units with zero to three percent interest, installment loans over ten years.

HOMEBUYER ASSISTANCE

The program will provide assistance to eligible households that are renting and seeking assistance to purchase a home. The Homebuyer Opportunity Program will provide closing costs and up to 50 percent of the down payment to eligible clients. Eligible closing costs include: loan origination fees, loan discount points, appraisal costs, credit report, title search and preparation charges, transfer fees, and recording costs. Terms for financing are the same as owner-occupied rehabilitation.

HANDICAPPED ACCESSIBILITY

Funds may be used for accessibility modifications to a dwelling unit occupied by an LMI person who is physically handicapped. Typical modifications include: ramps, grab bars, accessible shower stalls, wider doorways and hallways, and the installation of door handles, in place of door knobs.
