Project Location Map:
Design improvement opportunities

• Paved roadway
• Wider shoulders
• Slight roadway realignment near Beebe Creek and along curves
• Profile changes to increase stopping sight distance
• Sjoberg/Wasko Road converted to T-intersection
PROPOSED IMPROVEMENTS

Widened roadway

TOP PRIORITIES
PROPOSED IMPROVEMENTS

Shift roadway centerline at curves

PROPOSED ROADWAY CENTERLINE

EXISTING ROADWAY CENTERLINE
Adjusted roadway profile

PROPOSED ROADWAY PROFILE

EXISTING ROADWAY PROFILE
PROPOSED IMPROVEMENTS

Sjoberg Road & Wasko Road intersection converted to a T-intersection
Right of Way Acquisition

- Douglas County will be purchasing 50-feet each side of centerline to maintain the road right of way
- Some additional areas of temporary limited easement TLE will be required
Anticipated Detour

- Sjoberg Road and Wasko Road will be closed to through traffic during construction.
- Access to residences will be maintained throughout construction.
- Locals will use CTH A, CTH AA, BUS 53 and USH 53 as a detour. (4 min)
