DOUGLAS COUNTY
COVID-19 Data

Total % of Positive COVID-19 Tests

- Negative (95.51%)
- Positive (4.49%)

Key Points:
The majority of people who have tested positive in the past two weeks are college-age young adults. Douglas County Public Health has partnered with UW-Superior to increase Contact Tracing capacity for students on the UWS campus.

Douglas County Public Health has partnered with all other public and private schools throughout the county and is working hard to support COVID-19 prevention strategies.
