DOUGLAS COUNTY
(LAW ENFORCEMENT DEPARTMENT)

and

LAW ENFORCEMENT EMPLOYEE RELATIONS DIVISION
OF THE WISCONSIN PROFESSIONAL POLICE ASSOCIATION

***

DOUGLAS COUNTY, hereinafter referred to as the "Employer," and the LAW ENFORCEMENT EMPLOYEE RELATIONS DIVISION of the WISCONSIN PROFESSIONAL POLICE ASSOCIATION, representing employees in those classifications covered by this Agreement, hereinafter referred to as the "Union," agree to the following provisions covering wages, hours and working conditions during the period of this Agreement. This Agreement shall supersede and replace all previous agreements between the parties hereto.

TERMS AND RELATIONS. This Agreement is intended to secure proper employment terms and conditions of said Employer and to advance friendly relations between the Employer and the employees. Both the Employer and employees agree to carry it out fairly.

ARTICLE 1.

A. RECOGNITION. The Employer agrees to and does hereby recognize the Law Enforcement Employee Relations Division of the Wisconsin Professional Police Association, No. 41, as the exclusive bargaining agent for all regular full-time and regular part-time law enforcement personnel having the powers of arrest in the employ of Douglas County, including employees classified as deputies, lieutenants, juvenile officers, sergeants, excluding the sheriff, Chief Deputy, secretaries, casual and on-call, managerial, supervisory, confidential and temporary employees.

B. REPRESENTATION. The Union shall be the sole representative of all classifications of employees covered by this Agreement in collective bargaining with the Employer, and there shall be no discrimination against any employee because of non-union affiliation.

C. CHECK-OFF. The Employer agrees to deduct from the pay of all employees covered by this Agreement dues and initiation fees of the Local Union having jurisdiction over such employees, and agrees to remit to said Local Union all such deductions. Where laws require written authorization by the employees, the same is to be furnished in the form required. No deduction shall be made which is prohibited by applicable law. Check-off procedures and timing shall be worked out locally. If there is no agreement, the matter shall be referred to the grievance procedure.
D. DUES DEDUCTIONS. The Employer agrees to deduct monthly dues in the amount certified by the WPPA/LEER from the pay of employees who individually sign a dues deduction authorization form supplied by the WPPA/LEER affirmatively consenting to the deduction of dues from the employee’s paycheck, including any Local Association dues which the employee has authorized to be deducted in conjunction with the WPPA/LEER dues.

It shall be WPPA/LEER’s responsibility to obtain dues authorization forms from new employees and provide them to employer no less than 30 days prior to the date in which dues deductions are to commence. The employer shall notify the WPPA of all new hires of the bargaining unit within 30 days of their start date.

The Employer shall deduct the combined dues amount each month for each employee requesting such deduction, upon receipt of such form and shall remit the total of such deductions, with a list of employees from whom such sums have been deducted, to WPPA/LEER or Local Association if applicable in one lump sum not later than the 15th of each month.

Authorization of dues deduction by a voluntary member may be revoked upon notice in writing to the Employer, WPPA or to the Local Association.

No employee shall be required to join the Association, but membership in the Association shall be made available to all employees in the bargaining unit who apply consistently with either the WPPA or Local Association Constitution and By-Laws. No employee shall be denied membership because of race, creed, color, sex, or other legally protected class status.

It is expressly understood and agreed that WPPA/LEER will refund to the employer or the employee involved any dues erroneously deducted by the employer and paid to WPPA/LEER and/or the Local Association. WPPA/LEER shall indemnify and hold the employer harmless against any and all claims, demands, suits, orders, judgements or any other forms of liability against the Employer which may arise out of the Employer’s compliance with this Article.

ARTICLE 2.

A. INDIVIDUAL AGREEMENT. The Employer agrees not to enter into any contract or agreement with its employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement.

B. JOB STEWARD. The Employer recognizes the right of the Union to designate a Job Steward or Job Committee to handle such Union business as may from time to time be delegated to the Job Steward or Job Committee by the Union.

C. JOINT MEETINGS. For time spent in joint Union-County collective bargaining or grievance meetings, one employee designated by the Union will be granted the time off to attend the meeting with no loss of pay, provided that it does not interfere with the orderly and efficient operation of the Department.
ARTICLE 3.

DISCIPLINE. The parties recognize the authority of the Employer to initiate disciplinary action against employees provided such disciplinary action is for just cause. An employee who has completed his/her probationary period shall be entitled to appeal any disciplinary action through the grievance and arbitration procedure. The parties agree that this provision regarding arbitration of disputes shall apply to the disciplinary action of sworn law enforcement officers and that, while the parties recognize that employees cannot waive statutory rights such as those provided by § 59.26, Wisconsin Statutes, the parties agree that the arbitration procedure is preferred. The employee must notify the parties of the procedure she/he wishes to follow and recognizes and acknowledges that, whichever procedure is chosen, grievance arbitration or § 59.26, the right to follow the other procedure is waived.

ARTICLE 4.

GRIEVANCE PROCEDURE

Section 1. A. Definition: A grievance is a difference which arises between the Employer and the Union as to the meaning and application of the provisions of this Agreement or as to any questions relating to wages, hours of work or other conditions of employment.

B. Time limits: All grievances shall be settled within the stated time limits, and any extension upon the time limits must be mutually agreed. The failure of the party to file or appeal the grievance in a timely fashion as provided in this Article shall be deemed a settlement and waiver of the grievance. The party who fails to receive a timely reply shall have the right to automatically proceed to the next step of the grievance procedure. Grievances shall be considered settled at the completion of any step in the procedure if all parties concerned are mutually satisfied. All time limits are stated in working days (Monday–Friday not including contractual holidays) unless stated specifically to the contrary. Should the immediate supervisor or department head not be available to receive a grievance, the union may present the grievance to Human Resources for purposes of recording receipt relative to these time limits.

Written Grievance: The written grievance shall contain the name and position of the grievant, a clear and concise statement of the grievance, the issue involved, the relief sought, the date the incident or alleged violation took place, the specific section of the current labor contract alleged to have been violated and the signature of the grievant.

C. Union Representative: At all steps of the grievance procedure a grievant may be represented by one local representative (i.e. a County employee) and the Business Agent (i.e. a non-County employee).

Section 2. Step One: The Union shall within ten (10) working days of the event giving rise to the grievance present the facts in writing to their immediate supervisor. The immediate supervisor shall respond within ten (10) working days. Should the immediate supervisor be the Department Head, the grievance should be presented at step 2.

Step Two: The Union shall within ten (10) working days of the event giving rise to the grievance present the facts in writing to their Department Head. The Department Head shall respond within ten (10) working days.
Step Three: Should the Union feel that the reply of the Department Head is unsatisfactory, the Union may within ten (10) working days submit the facts in writing to the Human Resource Department representative.

The Human Resource Director or designee shall, with ten (10) working days, schedule a meeting between the Union representative and the Human Resource Director or designee to discuss the issue. The Human Resource Director or designee shall within ten (10) working days following the meeting reply in writing to the Union.

Step Four: If the issue remains unsettled, the union may, within ten (10) working days following the response of the Human Resource Director or designee, notify the Human Resource Director of the intent to appeal the matter to Arbitration. The Human Resource Director will, within ten (10) working days if possible, schedule a meeting with the union at a mutually agreeable time to select an Arbitrator.

At the meeting the Arbitrator will be selected by the following processes: First the parties will attempt to select the Arbitrator by mutual agreement. Second, the parties will select or strike names from the panel of Arbitrators mutually selected by the parties within 60 calendar days of the effective date of the agreement. This panel should be reviewed by the parties annually to determine if changes are necessary or desired. Lastly, if necessary, the parties will petition WERC for a panel of (5) arbitrators in order to strike names for the selection.

Arbitration Costs: The cost of the filing fee and arbitrator shall be paid by both parties equally unless otherwise mandated by state statute. Each party shall be responsible for the costs it incurs through arbitration.

Role of Arbitrator: The Arbitrator shall not add to, subtract from, or vary the terms of this Agreement. All decisions must be rendered in accordance with the language of this Agreement. The decision of the Arbitrator shall be final and binding upon both parties.

ARTICLE 5.

VESTED RIGHT OF MANAGEMENT. The County possesses the sole right to operate the County Government and all management rights reside in it, subject only to the provisions of this Contract and applicable law, shall be vested exclusively in the Douglas County Board of Supervisors through its duly appointed Committees. The Department Head, through authority vested in him/her, by either the Douglas County Board or the State Statutes, shall have the right to exercise full control and discipline in the proper conduct of the Law Enforcement Department operation.

Management rights include:

A) To direct all operations of the County.
B) To hire, promote, schedule and assign employees to positions with the County.
C) To determine the hour of employment and the length of the work week and to make changes in the detail of the employment of the various employees from time to time as it deems necessary for the efficient operation of the Law Enforcement
D) To suspend, demote, discharge and take other disciplinary action against employees for just cause.
E) To relieve employees from their duties.
F) To take whatever action is necessary to comply with State or Federal law.
G) To introduce new or improved methods or facilities.
H) To contract out for goods and services, however, no bargaining unit member would be laid off due to contracting out.
I) To determine the methods, means and personnel by which County operations are to be conducted.
J) To take whatever action is reasonably necessary to carry out the functions of the County in situations and emergency.
K) To establish reasonable work rules and schedules of work.
L) To maintain efficiency of County operations.

The Union and the members agree to cooperate with the Board and/or its representatives in all respects to promote its efficient operation of the Law Enforcement Department.

The provisions of this Article are, however, subject to the rights of the employees as set forth in other Articles contained in this Agreement.

ARTICLE 6.

PAY PERIOD. All employees covered by this Agreement shall be paid bi-weekly as long as the County of Douglas retains functioning computer division and all employee units go to a bi-weekly pay period. All employees shall be paid at the end of their working period, provided that a responsible person is on duty and in no event later than twenty-four (24) hours after the work period. The Union and the Employer may by mutual agreement provide for semi-monthly or bi-weekly pay periods. Each employee shall be provided with a statement of gross earnings and an itemized statement of all deductions made for any purpose. Direct deposit for all employees required.

ARTICLE 7.

BONDS AND PREMIUMS. Should the Employer require any employee to give bond, cash bond shall not be compulsory, and any premium involved shall be paid by the Employer. The primary obligation to procure the bond shall be on the Employer.

ARTICLE 8.

PHYSICAL EXAMINATION. Section 1. Physical, mental or other examinations required by a government body or the Employer shall be promptly complied with by all employees, provided, however, the Employer shall pay for all such examinations. Examinations are to be taken at the employee's home terminal and are not to exceed one (1) in any one (1) year, unless the employee has suffered serious injury or illness during the year. Employees will be required to take examinations during their working hours and receive compensation for all hours spent during such examination. The Employer reserves the right to select its own medical examiner or physician,
and the Union may, if it believes an injustice has been done an employee, have said employee re-
examined at the Union's expense.

Section 2. Should the Employer find it necessary to require such employees to carry or record full
personal identification, such requirement shall be complied with by the employees. The cost of
such personal identification shall be borne by the Employer.

ARTICLE 9.

CONDITIONS OF EMPLOYMENT. The Employer agrees to bargain the impact of any changes
in the conditions of employment relating to wages, hours of work, overtime differential, vacation
and other benefits in effect at the time of the signing of this Agreement.

ARTICLE 10.

GRANTING TIME OFF. Section 1. Absence. The Employer agrees to grant the necessary and
reasonable time off, without discrimination or loss of seniority rights and without pay, to any
employee designated by the Union to attend a labor convention or serve in any capacity on other
official Union business, provided forty-eight (48) hours' written notice is given to the Employer
by the Union, specifying length of time off. The Union agrees that in making its request for time
off for Union activities, due considerations shall be given to the number of employees affected in
order that there shall be no disruption of the Employer's operations due to lack of available
employees.

ARTICLE 11.

SAFETY EQUIPMENT. No employee shall be required to drive a vehicle that does not comply
with all state and city safety regulations.

ARTICLE 12.

COMPENSATION/FOOD AND LODGING. All employees, because of their duties, when asked
to remain away from their home portals, shall receive food and lodging during their absence, in
addition to the regularly hourly wages.

ARTICLE 13.

WORKER'S COMPENSATION. Section 1. The Employer agrees that for employees serving as
deputies that were hired after 1/1/03, in the event that any employee is disabled and thereby
prevented from performing his/her usual duties for Douglas County as a result of an injury or
occurrence arising out of the employee's duties, the employee shall continue to be paid his/her full
salary for a period not to exceed ninety (90) calendar days from the date of such injury or disability;
provided, however, that the employee has at least one (1) year of departmental seniority. For
eligible employees, absence from work for up to ninety (90) calendar days shall not be charged
against accrued sick leave.
Section 2. If the employee is eligible for the above full salary (e.g. based on previous 52 weeks of earned wages and according to the State Worker’s Compensation formula) for one (1) year and receives an additional payment for Worker’s Compensation, the full salary amount (per the above section 1) shall be reduced by the amount of Worker’s Compensation payment.

Section 3. An employee may be required to present evidence satisfactory to the Employer of inability to work due to illness or accident.

Section 4. An injured employee with less than one (1) year of department seniority; or an injured employee hired before 1/1/03 who exceeds one (1) year of disability or an injured employee hired after 1/1/03 with one year of department seniority who exceeds ninety (90) calendar days of disability shall have the choice of one of the following methods of payment while on Worker’s Compensation:

(a) shall receive their Worker’s Compensation payment only; or,

(b) shall receive their Worker’s Compensation payment and upon request shall be issued a supplemental check for an amount totaling the employee’s normal full wages. This supplemental payment shall be charged against the employee’s accumulated sick leave and shall be paid only to the extent of eligible sick leave.

Section 5. The County agrees to pay the County’s share of health insurance while an employee is on Worker’s Compensation for a period of up to eighteen (18) months from the date of injury.

ARTICLE 14.

LOSS OR DAMAGE. Employees shall not be charged for loss or damage of department-issued equipment, unless clear proof of negligence is shown. Employees who sustain essential equipment damage in the line of duty shall be reimbursed at a reasonable replacement cost upon approval by the Law Enforcement Committee.

ARTICLE 15.

EMPLOYMENT STATUS. Section 1. A regular employee is hereby defined as a person hired to fill a permanent position as follows:

(a) Full-time with full employment annually.

(b) Part-time with less than full employment annually who is permanently scheduled and works less than the basic work week and who will accumulate seniority and benefits based on hours actually worked.

Section 2. A temporary employee is a person hired for a period of time not to exceed six (6) calendar months, and who shall be separated from the payroll at the end of such period. At the time of hiring, temporary employees will be notified that their employment is temporary and that they shall accrue no rights under this Agreement.

2020-2022 Agreement - Sheriff’s Department
ARTICLE 16.

COUNTY RESIDENCY: Section 1. All deputy sheriff employees shall be a U.S. citizen and shall be required to establish and maintain residency within fifteen miles of the jurisdictional boundaries of Douglas County. Any person hired shall have six (6) months after the completion of the probationary period to establish and maintain residency within fifteen miles of the jurisdictional boundaries of Douglas County, or employment shall be terminated. Employees who live outside of the jurisdictional boundaries of Douglas County cannot take a squad home without management approval.

PROBATIONARY PERIOD. Section 2. All newly-hired employees shall serve a one (1) year probationary period of continuous service, exclusive of time spent in law enforcement schooling. During such probationary period they shall not attain any seniority rights and shall be subject to dismissal for any reason without recourse to the grievance procedure.

Section 3. Upon completion of the probationary period, the employee shall be granted seniority rights from the employee’s most recent date of hire.

Section 4. From the date of hire the eligible employee will accrue the following fringe benefits; vacation, sick time, and personal leave days; and upon completion of the first six months of the probationary period the employee will be entitled to use vacation and sick leave benefits. Personal leave days may be taken, with the approval of the department, during the first six months of employment. An employee who does not successfully complete probation will be required to repay personal leave days used in the first year.

In addition, regular full-time or part-time employees hired to work 600 or 1200 hours as applicable per year will be enrolled in the WI Retirement System. Health Insurance is available to employees who are hired to work 30 hours per week after they complete 30 days of service.

ARTICLE 17.

SENIORITY. Section 1. The seniority of all employees covered by the terms of this Agreement shall begin with the employee’s starting date of employment, provided, however, that no time prior to a discharge or quit shall be included. The employees’ seniority shall not be diminished by temporary lay-off due to lack of work, shortage of funds or any other contingency beyond the control of either party to this Agreement.

Section 2. Regular full-time employees shall be deemed to have greater seniority than regular part-time employees. Regular part-time employees shall earn seniority based on date of hire as a regular full-time employee. The Parties agree to maintain two (2) seniority lists, one (1) for regular full-time and one (1) for regular part-time employees.

Section 3. The seniority list shall be posted and kept up-to-date by the Employer. A copy of the up-to-date list shall be made available to the Secretary of the Association. Said seniority list shall contain the name and starting date of each employee. Said seniority list should also include the seniority date for fringe benefit purposes, only if different from the starting date. Regular part-time employees shall be carried on the bottom of the list in proper sequence and the list shall so state that they are regular part-time.
Section 4. During a leave of absence, including worker's compensation, seniority shall continue to accrue. During unpaid leave of absence seniority, vacation, sick leave, holidays and personal leave days, do not accrue, except as in Family Medical Leave and unpaid suspensions of less than 30 days; [in those situations] the employee won't lose seniority, but will not accrue fringe benefits.

Section 5. Loss of Seniority: Seniority and the employment relationship shall be broken and terminated if an employee:

1. quits or retires:

2. is discharged for just cause:

3. is absent from work for three (3) consecutive regularly scheduled working days without notification to and approval by the employer, unless unable to notify for physical or other reasonable excuse: any dispute shall be subject to the grievance procedure.

4. fails to report to work within three (3) calendar days after having been recalled from layoff:

5. fails to report for work at the termination of a leave of absence: the employee shall be notified of the end of his/her leave of absence via certified mail: it shall be the employee's obligation to notify the Employer of his/her current address while on a leave of absence:

6. if an employee on leave of absence for personal or health reasons accepts other law enforcement-related employment without permission:

7. is on layoff status for twenty-four (24) months.

Section 6. Work sheets will be four (4) months' duration with starting days as follows: 1st Sunday in January, 1st Sunday in May, 1st Sunday in September. Work sheets as prepared by the Employer will be posted by the Union on a bulletin board for job selection no later than thirty (30) days prior to the starting date of that work sheet.

Officers will select their work assignments on a seniority basis with seniority in rank prevailing. An officer having made his/her job selection will be allowed to remain in that position for the duration of the work sheet.

Section 7. Regular employees within the patrol division of the bargaining unit, within classification shall have the option of switching shifts or days off for regular employees who are off one (1) regular work week or more, provided all shifts within the period require replacement. If no one within the classification wants to perform the work, bargaining unit members outside the classification may perform the work if authorized and approved by the Sheriff. When the employer authorizes a replacement for a vacant shift within the bargaining unit, in all circumstances, all regular full-time employees who are in the bargaining unit will be called by seniority and given the opportunity to work the vacant shift.
If an employee does not wish to be called for vacant shifts, he/she shall leave their request in writing, with their immediate supervisor of their desire not to be called for shift vacancies. Employees on leave of absence or on workers' compensation will not be called as replacements for vacant shifts.

In emergency situations, the filling of vacant shifts by seniority within the bargaining unit may be bypassed by the order of the Sheriff or designee. Any employee, bargaining unit member or otherwise, who is physically proximate to the work site and immediately available for work, may be ordered to fill the vacant shift created by the emergency.

This section applies to shifts which become vacant within three (3) days of needing replacement and is not intended to circumvent an employee's right to bump by seniority up until forty-eight (48) consecutive hours before the commencement of the shift requiring replacement.

Section 8. The Sheriff may appoint a qualified temporary employee as defined in Article 15, Section 2 to fill temporary vacancies that are expected to exceed ten continuous calendar days, or more, for those occasions involving vacancies created by leaves of absence, workers' compensation, and light duty. These appointments shall not exceed 180 continuous calendar days.

Section 9. For current Douglas County employees, prior continuous service for benefit purposes only (e.g. sick leave, vacation, personal leave days, longevity) shall be transferable to this agreement.

Section 10. Rotating Investigator assignment: The County may establish an investigator position to be filled on a rotating basis per the following criteria:

1. This special assignment will be on a rotating basis for a period of two calendar years, based on seniority starting with the most senior Deputy, and commencing on the January bump sheet in 2003.

2. This special assignment shall have a four (4) month trial period with an evaluation after sixty (60) and ninety (90) days. After ninety (90) days, the employee will be notified if he or she has successfully completed the trial period.

3. The person assigned to this special investigator position shall complete the basic investigator training at the first opportunity.

4. The rate of pay shall be at the Detective rate of pay.

5. Only Deputies who have at least thirty (30) months of service with the County as a Deputy will be allowed to participate in the rotation. Sergeants and Lieutenants will not be allowed to participate in the rotation of this special assignment.

Section 11. An employee who leaves the bargaining unit, but whose employment continues with the Douglas County Sheriff's Department, shall have seniority frozen at the point he/she left the bargaining unit. Except that an employee who returns to the bargaining unit within one (1) calendar year shall continue to accumulate seniority during the period out of the unit.
ARTICLE 18.

LAYOFF. Whenever the County decides to reduce the number of employees, all temporary employees will be laid off prior to reducing the regular work force. Employees volunteering for layoff will also be considered before reducing the regular work force. Regular part-time employees shall be laid off prior to regular full-time employees, if the remaining employees are capable of performing the work available. Regular full-time employees shall be laid off in inverse order of county-wide seniority, within the classification of deputy.

Recall shall be in inverse order of layoff, within classification, for a period of up to twenty-four (24) months from the date of layoff.

ARTICLE 19

PROMOTIONS. Section 1. In making promotions the Sheriff will comply with the provisions of the Civil Service ordinance for establishing the eligible list and will appoint from any of the top three candidates certified for consideration by the Civil Service Commission.

Section 2. All job vacancies or new positions shall be posted on the bulletin board ten (10) days prior to filling said vacancy or new position so that each interested employee may have an opportunity to apply. Such notice shall state the prerequisites for the position to be filled and said prerequisites shall be consistent with the requirements of the job. Employees shall apply for the vacancy or new position in writing, and only those applicants who meet the prerequisites will be considered.

Section 3. The successful applicant shall have a ninety (90) day trial period in which to demonstrate his/her ability to perform the job. If during said period the employer considered the employee unqualified, the employee shall be returned to his/her former position without loss of seniority rights.

County Board approval: May 18, 2017; Resolution #25-17
Douglas County Deputy Sheriff’s Association, Local 41
Twelve-Hour Shift
Side Letter Agreement

Members of Douglas County Deputy Sheriff’s Association, Local 41 of the WPPA, and Douglas County agree to the following for an alternate work schedule for the period of the current working agreement:

1. The Douglas County Sheriff’s Department Patrol Division, including Deputies assigned to patrol, (but excluding the Courthouse Security Officer, Process Server, Recreation Officer, Desk Officer, Huber/Electronic Monitoring Coordinator and positions in the Detective Bureau) will work a scheduled 12-hour workday.

2. The sequence shall be four days worked followed by four days off on a regularly scheduled basis.

3. Officers shall sign up for a squad (A, B, C or D) prior to the beginning of the schedule, by seniority. Squads A & B (Team 1) shall have the same days off, as will squads C & D (Team 2).

4. A work sheet will be four months duration (Article 17, section 6). An officer may, at the time of that work sheet’s posting, select a different start time, by seniority. An officer may switch from Team 1 (A & B squads) to Team 2 (C & D squads) only on the first day of the first pay period of the next calendar year. Article 17, Section 7 (option of switching shifts or days off if a regular employee is off for one week or more) shall not apply, unless the employee wanting to switch is on the same Team (1 or 2 as described above). Article 17, Section 7 covers the “order-in” policy. If the order-in occurs immediately following an Officer’s 12 hour working shift, the order-in will be for four hours only, and attempts will be made to find an 8 hour replacement. If an order-in occurs on an Officer’s regular day off, it will be for 12 hours, if necessary. A four hour and an eight hour order-in list may be established to accommodate the new schedule, pursuant to current policy. This would allow Officers to work either 4 or 8 hours on their days off (or 12 at their option). In addition, those Officers on 8 hour shifts as set forth in paragraph 1 above ordered-in on their days off could do so for 8 hours or 12 hours, at their option, if a 4 hour replacement is available.

5. The working of 12 hour shifts, in the manner described above, results in working in excess of 2080 hours in a one-year period. For this reason, mandatory “Kelly days” (non-scheduled days off) are necessary. Kelly days will be selected prior to the work sheet beginning, by seniority, and an average of three Kelly days will be selected in each four month period. Only one Deputy will be allowed off on a Kelly day, per squad, on the same day.

6. Vacation, and sick time, and personal leave days will be used in twelve-hour segments, for those Officers working the 12 hour schedule. In other words, one sick day will result in a 12-hour reduction in the Officer’s total. Four vacation days will consume 48 hours of an Officer’s total vacation time. A Personal leave day shall be equal to the employee’s regularly scheduled work day at the time of the use of the personal leave day. If an Officer who is working a 12 hour shift is granted a leave of absence with pay pursuant to
Article 30, Bereavement Leave, the Officer shall be paid for twelve (12) hours per day of paid leave granted.

7. Article 27, Section 1, (standard 5 consecutive work days, 8 hours per day) is modified for those Deputies on the 12 hour schedule. A standard work week for Patrol Deputies and Sergeants shall be 4 consecutive 12 hour days, with 4 consecutive days off, and the cycle repeats itself, for the year. Article 27, Section 3, subparagraphs (a) and (b) (overtime) is are changed to: (a) Hours worked over twelve (12) hours per day and (b) Hours worked in excess of 48 hours per week (A week means the officer’s standard work week cycle of 4 consecutive 12 hour days followed by 4 consecutive days off). Article 27, Section (c) remains unchanged.

8. Article 37-Shift Differential. For those Officers working the late shift (6 P.M. to 6 A.M.) a shift differential of $.34 (34 cents) per hour shall apply. No shift differential will be paid for those working the early (6 A.M. to 6 P.M.) shift.

9. For payroll purposes, an Officer’s annual base salary (40 hour workweek) will be divided by 26 to determine biweekly pay, not including overtime.

10. When attending training locally, Officers will start their shift at the start of the training (i.e. 8 A.M.) and remain at training until it is over. The remainder of the shift may be worked as alternate duty, to be determined by the shift supervisor (follow up investigation, special projects, etc.) or partial Kelly days may be used in 4 hour increments. In the event that training occurs on regular days off, only the training time will be worked, as overtime. If the training involves more than 24 hours, or is not local, the same rules will apply, except that the alternate duty option will not be available. The training will be exchanged on an hour-for-hour basis, based on the scheduled number of hours worked that occur during the training period. Travel time may be applied to regularly scheduled work days if it occurs on regularly scheduled days, using 6 hour Kelly segments if appropriate, or whatever other method of ‘hours worked’ calculation is agreed upon, in advance, with the Chief Deputy.

11. All other portions of the contract will remain in effect.

12. This Side Letter of Agreement shall be effective for the duration of the current Collective Bargaining Agreement between the County of Douglas and the Douglas County Sheriff’s Association, Local 41 and shall expire at the end of the current Labor Agreement unless extended by mutual agreement of the parties.
IN WITNESS WHEREOF, we have hereunto set our hand and seals this 4th day of March, 2020.

County Board approval: April 9, 2020; Resolution #24-20
Douglas County Sheriff's Department Canine Unit
Side Letter Agreement
(Modification for 12 hour shifts)

Whereas the County and the WPPA Local 41 have joined together in support of a Canine Unit; and

Whereas the County and the Union have met and discussed the various aspects of the Canine Unit which would impact the employees assigned to this program;

Now therefore, the Douglas County and WPPA Local #41 agree to the following:

1. Duration of Assignment: The Canine Unit position(s) serves at the pleasure of the Sheriff but the normal period of service will be for a minimum of three years which may extend to a maximum of eight (8) years or the canine's active service life, unless relieved of the assignment by the Sheriff.

2. Hours of Work: The officer(s) working the Canine Position shall be assigned to a 12 hour shift with four shifts on and four shifts off. The employees shall select shifts according to seniority. If there is more than one canine officer, the officers may not select the same shift. A one (1) hour 15 minute per day allowance for the care and feeding of the canine (for an 8-day period totaling 5 hours per week), will be accommodated during the work period through time. There will be no overtime authorized for the care and feeding of the canine. Training will also be accomplished as an alternate duty or flex time as approved by the supervisor. All other provisions of the 12 hour Shift Side Letter Agreement not specifically addressed by this Side Letter will be applicable to the Canine officer.

3. The officer will be subject to call-in and would be compensated for the same under the provisions of the working agreement.

4. The canine will be kept, groomed, fed, watered, exercised and taken to the vet when required during off schedule hours by the officer. This time is accounted for through the 75-minute per day allowance. Scheduled veterinary visits may be arranged during the work shift with prior approval of the Sheriff or his designee.

5. The County will pay for the canine's food, supplies and veterinary costs.

6. The officer will be required to have a kennel at their residence. The County will purchase and pay for installation of the kennel and underlying cement. Should the officer move, the cost of relocating the kennel will be the officer's responsibility.
7. The officer shall have no claim against the County or Sheriff’s Department for any wear, tear or damage done to the handler’s property or other person’s personal property in the officer’s care while the canine is not specifically involved in law enforcement training, patrol or presentation functions.

8. At the end of service life, the officer may be provided an opportunity to assume full ownership and responsibility of that canine. The County shall retain ownership if the canine handler declines to assume ownership, resigns from the assignment, or terminates employment with the County.

9. If the officer is not available for the care of the animal, the County will pay for the boarding of the canine at an approved kennel.

10. When the officer takes time off for sick leave, or vacation, they will claim the time off from their leave balances considering the 5 hours a week that is provided for canine care that cannot be accommodated for time off during the two-week pay period. Example: If in the last scheduled day in a pay period the officer is ill and he would have otherwise only worked 10 hours 45 minutes to accommodate the care time, he will only claim 10 hours 45 minutes of sick leave and one hour 15 minutes of time worked coded as canine care. For a week’s vacation, the officer will code 43 hours for vacation and 5 hours’ time worked coded as canine care.

11. The canine will not be taken out of the jurisdiction when not involved in law enforcement training, patrol or presentation functions without the approval of the Sheriff or his designee.
